# Why I see incorrect timetable in my Outlook calendar?

One of the reasons why this situation has occurred is because you have different Time Zone within the *Outlook* app. To set up correct Time zone, please kindly follow below described steps in order to set up correct hours for your timetable

1. Open Calendar via MyRSU app, you will be redirected to an Outlook calendar.

2. When opening Calendar, click on Menu button.
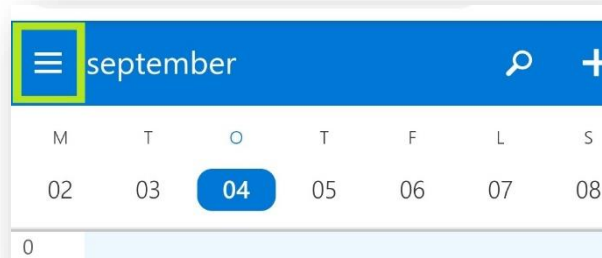

3. When Menu is open, click on the Settings button
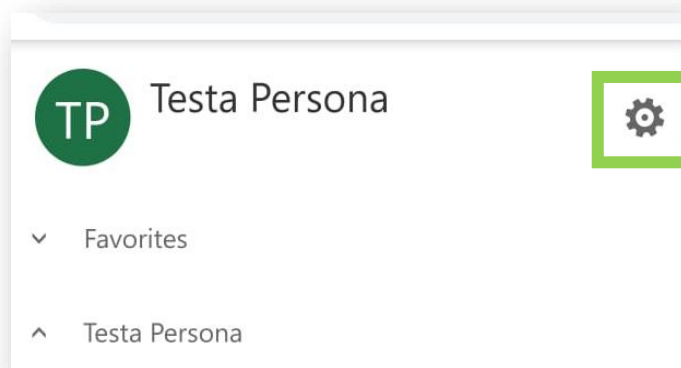

4. From the list click on Time Zone and choose UTC +02:00 zone.

5. After all all calendar events will be synchronized according to time within app
