

Instructions for uploading your virtual poster on RSU RW 2021 live platform

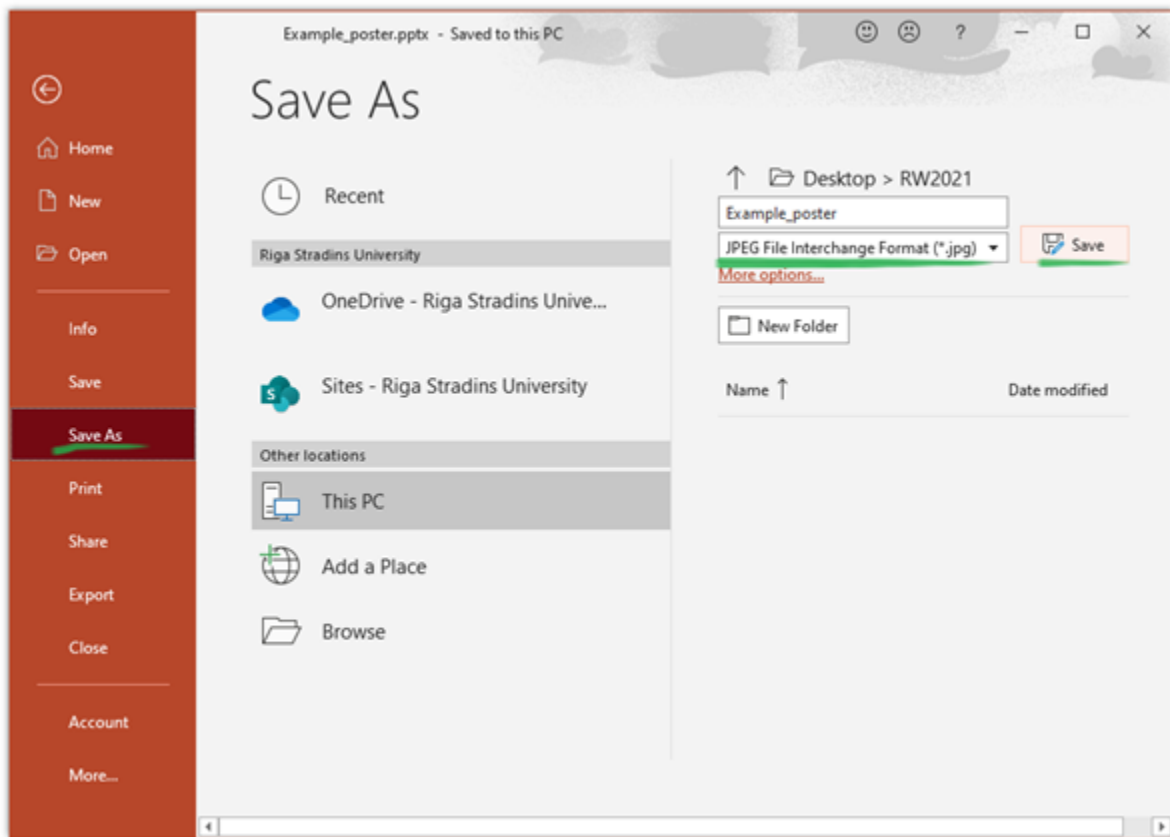

Step 1

Prepare your poster. We encourage you to use one of our Powerpoint templates.

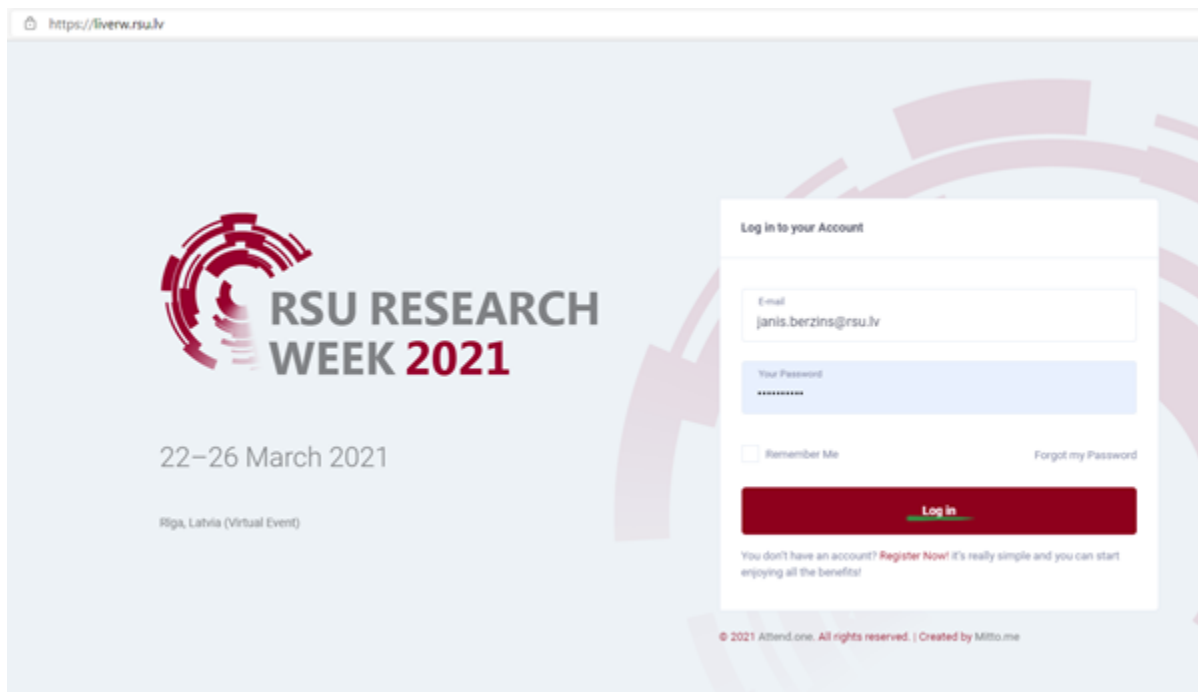

Step 2

Save your poster as a high-resolution JPG image file.

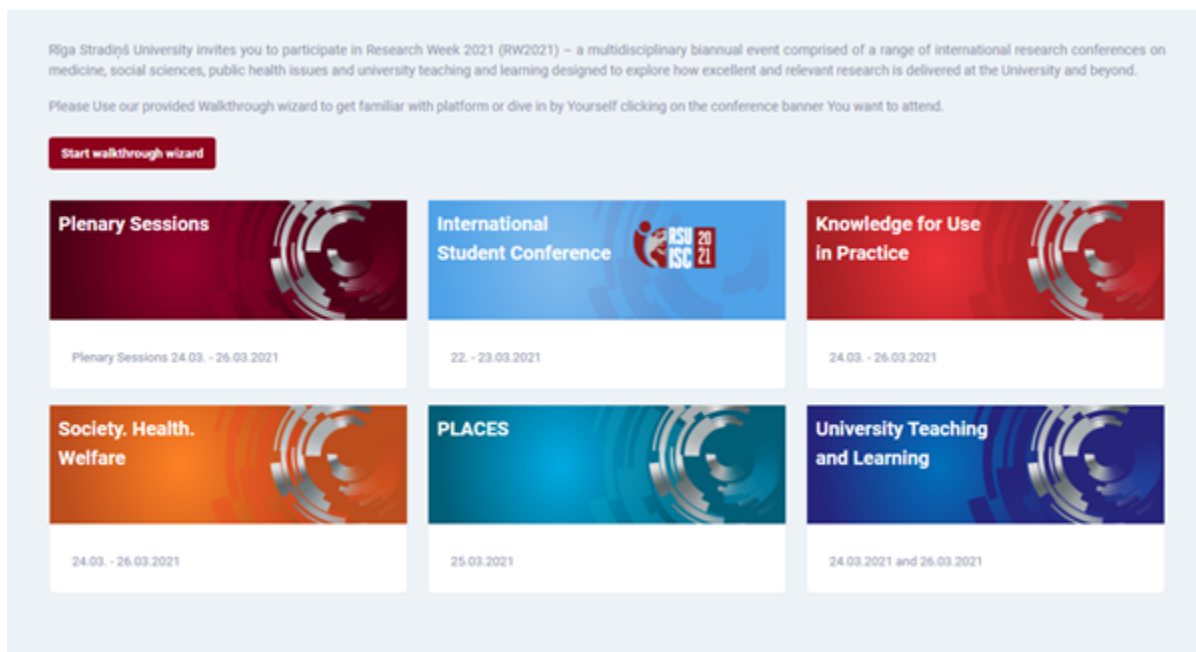

Step 3

Log in to liverw.rsu.lv with your e-mail address.

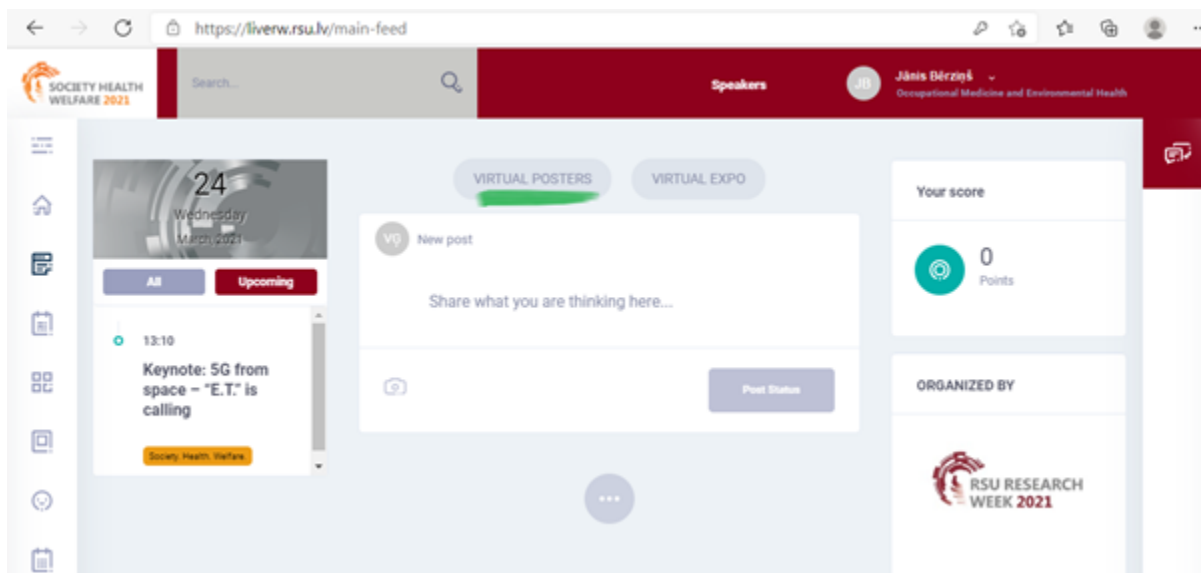

Step 4

Choose your conference

Step 5

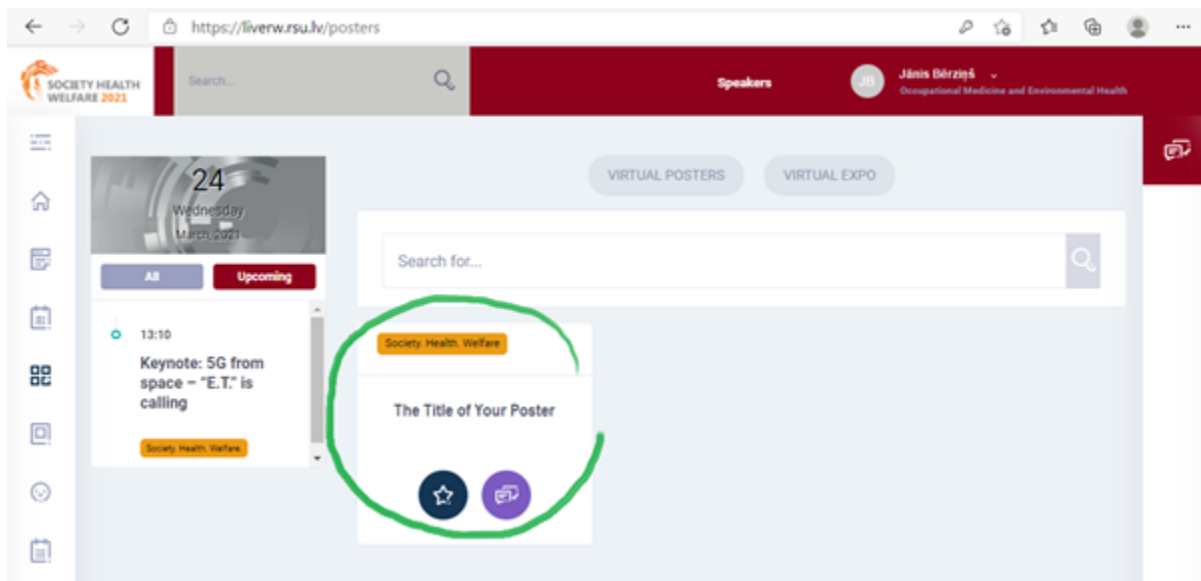

Click VIRTUAL POSTERS tab.

Step 6

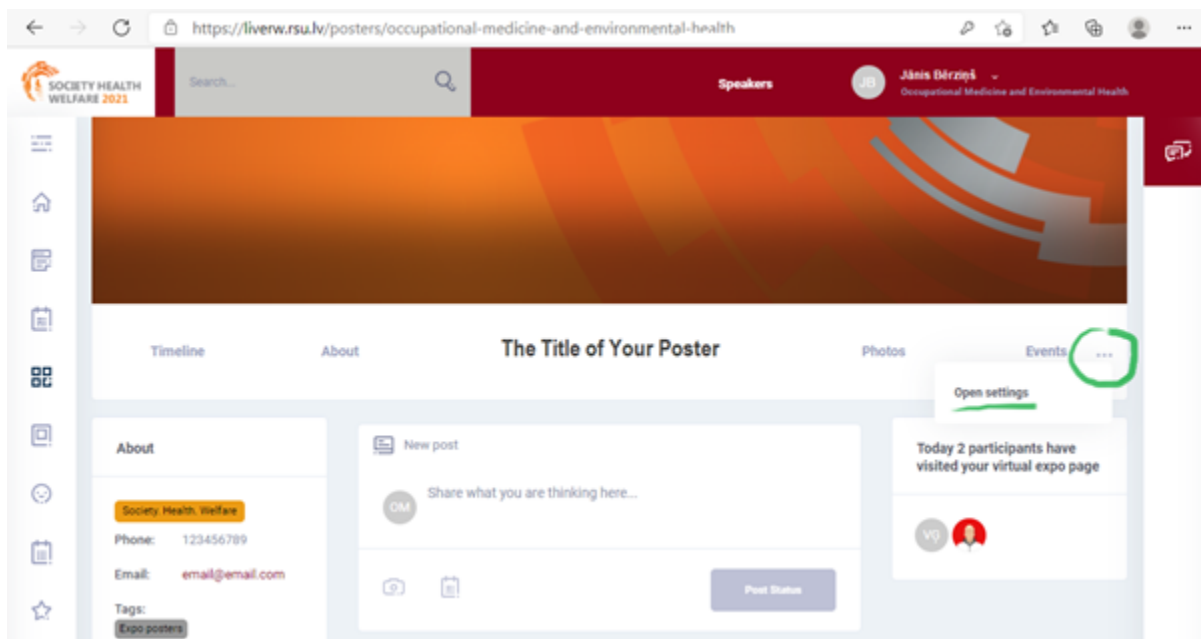

Find your poster page.

Choose your poster JPG file and upload it. This option is available on the very bottom of the page. Namely, click on Details and scroll down to the bottom of the page

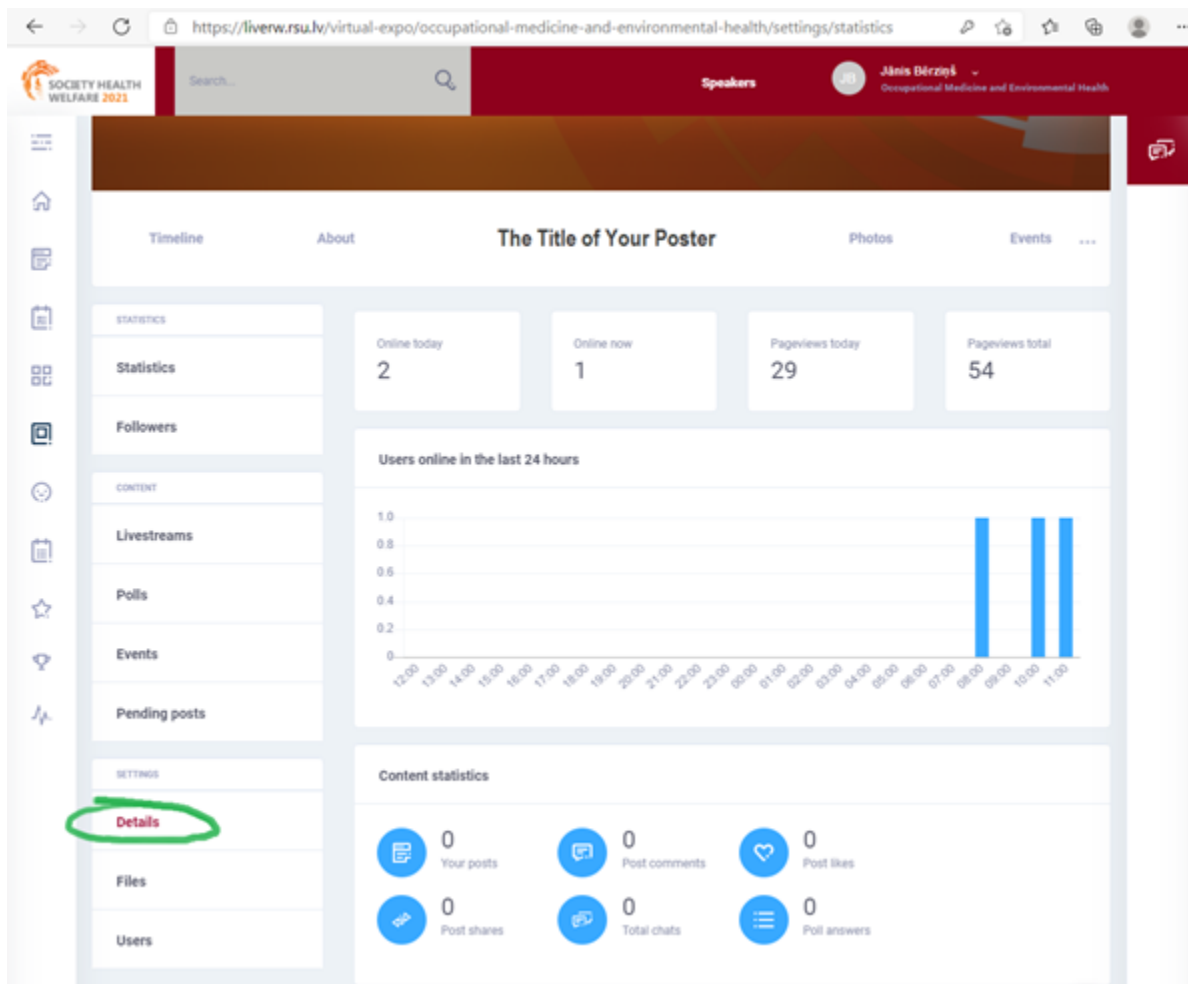

Step 7

Open the settings menu.

Step 8

Choose Details.

Step 9

Choose your poster JPG file and upload it.

The screenshot shows the 'Graphics' section of the poster settings. It contains two file upload fields:

- Upload Your e-poster here .jpg or .png (minimum resolution 1080x1920):** A text input field with a 'Choose File' button highlighted by a green circle. The text 'No file chosen' is displayed next to the button.
- Wallpaper (1920x380 px):** A text input field with a 'Choose File' button highlighted by a green circle. The text 'No file chosen' is displayed next to the button. To the right of this field is a preview image of a red and orange abstract design, with a 'Remove image' button below it.

At the bottom of the section is a large red 'Save' button.

Your poster will now appear on your poster page. Full size poster can be viewed by clicking on it in the Timeline tab or by choosing About tab.
